

FUNDAMENTALLY GREEN

Leggett & Platt's Scotchgard™ carpet cushion line brings three choices of environmentally friendly carpet cushion to your home. Whether you select Plus or Supreme, which are made with 100% recycled materials and are also 100% recyclable, or Diamond, which is 100% recyclable, we've given you a way to ensure that your choice has minimal impact on the environment. Both options contribute toward LEED® green building credits.

WHERE YOUR CARPET'S COMFORT COMES FROM

Flooring is an extension of your home – it's where you play with your pets, watch TV, and play games with your children or grandchildren. When buying new carpet, don't forget about the importance of a quality carpet cushion. Selecting the right carpet cushion can increase the comfort and longevity of your carpet. By providing support and absorbing shock, carpet cushion keeps your carpet looking and feeling great longer.

For superior comfort and performance, look no further than Scotchgard™ Plus, Scotchgard™ Supreme, and Scotchgard™ Diamond carpet cushion.
